Commissioner for Patents

This communication is provided to inform Applicant of a technical correction in the electronic file of application 10/593811. Specifically, the computer readable form (CRF) of the sequence listing filed 4/12/2007 was inadvertently loaded twice into the USPTO's database for the Automated Biosequence Search System (ABSS). The duplicate copy of this CRF was removed from ABSS on 10/5/2009 for data integrity purposes. The removal of the duplicate CRF from ABSS has no impact on the search, examination or processing of the above mentioned application.

If you have any questions regarding this matter, please contact Scott Priebe, Search & Information Resources Administration, at (571) 272-0733 or scott.priebe@uspto.gov.
